

NJ TSA Future Technology Teacher Scholarship

Purpose

The purpose of the NJ TSA Future Technology Teacher Scholarship is to support the mission of TSA by encouraging NJ TSA members to pursue careers as technology education teachers.

Criteria for Applying

1. Eligible candidates include TSA members from one of two categories:
 - a. Graduating high school seniors who currently are active members of an affiliated TSA chapter;
OR
 - b. TSA alumni/alumnae who are accepted or enrolled in an undergraduate program.
2. Applicants must have participated in an active, affiliated TSA chapter for a minimum of two consecutive years.
3. Applicants must have attended and participated in at least one TSA conference at the state level.

Application Package

Your application should include the following components (please ensure each item is included):

1. A one-to-two page document, with your signature, that includes:
 - a. A detailed description of your involvement/accomplishments in TSA at the local, state, and/or national levels, based on the above criteria (can be in bulleted format).
 - b. A list of technology education courses completed and in progress.
 - c. SAT score and/or ACT score.
 - d. GPA (4.0 scale) and, if available, high school class rank (indicate how many in class).
2. Up to three letters of reference, one of which must come from a technology education teacher.
3. A short essay (250 to no more than 500 words) describing your motivation for becoming a technology education teacher and your future educational plans.

Applicant must submit a completed application package to:

Alison Goeke, State Advisor
New Jersey Technology Student Association
The College of New Jersey
2000 Pennington Rd.
103 Armstrong Hall
Ewing, NJ 08628-0718
Fax: 609.771.3330

Please see the current copy of the NJ Supplement for **submission dates/deadlines**.

Selection Process

The award selection is determined by the NJ TSA Award Selection Committee and is based on the criteria identified above. The selection is final and is not subject to review. The name of the recipient will be announced at the NJ TSA State Conference.
