

2017 High School On Demand Video Theme

Greatest Engineering Achievements

How many of the 20th Century's greatest engineering achievements will you use today? The National Academy of Engineering has published an informative book and online resources (www.greatachievements.org) that describe some of the greatest engineering achievements of the last century.

Make a 60 second video that could be used during morning announcements, or on a school website, to explain the National Academy of Engineering's Greatest Engineering Achievements of the 20th Century, and show how one of the 20 achievements is relevant globally and in your school community.

REQUIRED PROPS: *At least 2 of the following:*

- A hand-drawn or computer-generated timeline showing important events related to your chosen achievement
- A community example
- An artifact constructed in your school technology/engineering lab

REQUIRED LINE OF DIALOGUE:

"Our timeline (or artifact) shows....."

DEADLINE:

Video, documentation and LEAP Leadership Resume must be received in the NJ TSA office, or postmarked, by 5pm on March 8, 2017.

PLEASE NOTE- the deadline was extended from March 7, 2017 to March 8, 2017.
