Thanksgiving
Food Drive
&
American Cancer
Society
Fundraiser

Winners get PRIZES

NJ TSA THANKSGIVING FOOD DRIVE AND ACS FUNDRAISING INSTRUCTIONS

1. Your food drive must be completed by November 25th. Donations for the American Cancer Society (ACS) should be gathered all school year. Try and aim for at least 100 cans or nonperishable items for the food drive, and at least \$75 for ACS. Donations less than this goal will still be accepted.
2. After your chapter advisor gives approval for the food drive/fundraising event, sign up for the event using the attached form, and then choose and contact a local food bank to partner with. You will donate the food to this food bank before Thanksgiving.
3. Your chapter will ultimately decide how to enact the food drive, but here's some recommended methods:
 - a. Put a box outside your school or in an easily accessible place for students. Food drive donations will be collected in this box.
 - b. Have students give donations directly to the chapter advisor or officers.
4. Likewise, your chapter will also decide how to accept donations for ACS. Here are some recommended methods:
 - a. Have students deliver money in envelopes to the chapter advisor.
 - b. Collect money during or after school, which would then be handed to the chapter advisor.
 - c. Check out the following links for some virtual options when fundraising for ACS:
<https://youtu.be/lzCx1871PY0>
https://secure.acsevents.org/site/SPageServer?pagename=relay_learn_fundraising_resources
5. Count the total number of cans or food items, and donations. Take a picture of the food, then send your results to the attached form.
6. Whoever gains the most donations for the food drive will be announced on December 1st, and will receive a trophy as a prize.
7. Another prize will be offered for the team who raises the most money for the American Cancer Society. This prize will be given at the end of the school year. Make sure you put your current ACS donations earned on the attached form, that way you can see how your team's earnings compare to others once the results are posted.
